 2. 3. 	be executed by First National the same business day. Instructions received by First National after 1:00 p.m., or on a day the Federal Reserve Wire system (FedWire) is not open may be transmitted by First National the next day on which both First National and FedWire are open. If this wire is payable in foreign funds, it will be executed on the basis of the current exchange rate existing and accepted by the customer at the time First National received this Instruction. The Debit Account (when used) will be charged for the Amount of the Instruction and will be charged the applicable First National fedon the date of execution.						
4. 5.	First National may rely on the correctness of the above information, including spelling in executing this Instruction. First National will have no responsibility or liability to me for any error, delay or failure by FedWire, Receiver Bank, any intermediary						
	bank or beneficiary's bank in the execution of Instructions transmitted by First National.						
6.	Beneficiary's bank may apply payment to the above account number of beneficiary even if that account number identifies a person who is different from the beneficiary named above and who is not entitled, or intended by me, to receive payment.						
7.	In addition to First National's wire transfer fee, I/we agree to pay any additional charges or expenses First National may incur in handling this Instruction, immediately upon demand by First National.						
8.	First National has no ability to stop payment of a wire transfer after it is transmitted. If the return of this wire shall for any reason become necessary, upon written request, First National will assist the Originator in requesting a reversal from the beneficiary's bar First National shall not be obligated to effect any refund unless and until funds from which such refund is to be made are freely available to First National, and, if this wire is payable in foreign funds, such funds shall be made on the basis of the current buy rexisting at the time such refund is made less any fees charged by First National, beneficiary's bank or any intermediary bank.
